

ETN-24-SUPER-PROG-US Series

24VAC, wall-mount thermostat with 5-1-1, USA-type weekly program built-in and multiple Cooling and Heating stages

The ETN-24-Super-Prog-US is a stylish thermostat well suitable for commercial and residential applications.

It can control a large variety of HVAC systems with either Heat/Cool or Heat Pump configurations and offers a selectable number of heating and cooling stages.

Its 5-1-1 program, with 4 periods (Set Cool / Set Heat) per day, is easy to use and can provide 24-hour comfort as well as energy savings.

Overall, the ETN-24-Super-US is an attractive, wall mount thermostat with a large, easy to read display.
